Local Jottings

OF LOCAL INTEREST
• Readers are requested to send in items for this column not later than 12 o'clock Monday noon.
• preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 64.

A former townsman, now resident elsewhere, writes to us as follows: "If any of your people get restless tell them to stick where they are, as there is no other place to go." So that's it!

A large number of townspeople of both sexes gathered at the depot on Friday to greet the Regina hockey team, prairie league champions, on their way through to Regina to play off the Western championship with Vancouver. The boys appeared on the platform, Dr. Givin explained the desire of the local people to give them their best wishes for the final game Saturday, after which Mayor Butler also uttered a few words of encouragement and cheer. Miss Margaret Anderson, on behalf of the local hockey fans, then presented them with a 5-pound box of chocolates, to which the spokesman of the team responded by thanking the people of Strathmore for their kind wishes, and that they would be their best to carry off the honors. It is rather regrettable to record, after this, that Regina lost the championship to Vancouver by 4 goals to nil, but all the same the boys proved themselves good sports, and Strathmore will lose nothing by their demonstration of hospitality.

The Bassano Mail says "The average Scotchman in the month of October talks rather than the average Irishman. How about that Mr. Dr. Givin? Being so close to St. Patrick's Day, the average Irishman will feel himself a whole lot sadder than any other race on earth. Again, we heard one Scotchman last week say that he would like to have some Scotch in him on St. Patrick's Day."

One of the Regina hockey stars, Alvin Moran, is a brother of Jimmy Moran, our local plumber. He was expected to have been with the rest of the boys on Friday's train, but slipped in at Vancouver, and missed the train, and also the Strathmore cheer. We hope Jimmy, that sleeping in is not a family thing.

The total amount paid in hail claims by the Alberta Hail Insurance Board in 1921 was \$2,000,000.

Bassano School board is asking the Town Council for \$17,000 for this year. We hear that Mr. W. E. Brown, our former townsman, who for the past year has been a resident in Victoria, has assumed the vice-presidency of a new company which will cater business of manufacturing cars, tractors, and trucks, employing oil fuel and steam power in place of gasoline.

Ray Davis, who for a space of twenty-four hours, move or less, was seen constable of Strathmore, before he was taken away by Poppy Frost, some considerable time ago, was found guilty of larceny in Monaca, and is facing indeterminate sentence.

Miss Morin is now in charge of the dry goods department of the R. Fox store. Miss Morin has had eighteen years experience in this line throughout Western Canada, and has built up some of the best dry goods departments in the West. Any ladies who are contemplating the purchase of a new dress should consult her.

The new cash policy adopted by Mr. Fox, coupled with vigorous advertising and rock bottom prices, is proving very effective. A lot of business that used to go out of Strathmore is now staying in town as a result of the low prices which local general stores are quoting.

We are pleased to welcome back to Strathmore our old townsman, Tommy Wright, who is taking over the men's wear business at his old stand. Tommy claims that he really never left Strathmore anyway, as he owns a farm here and the store building, and all his furniture is here.

The auction sale held by Mr. Layzell on Wednesday last of the stock and effects of Mr. Stockis proved more successful than expected, good prices being realized. There is evidently more cash in the country than is sometimes supposed. Today the sale of stock and implements belong to Messrs Van Buskirk and Praker takes place.

We hear with regret that Rev. Thos. Philips has placed his resignation in the hands of his church board, to take effect in June.

A Little Limelight For You

Have you noticed how every thing else just fades into obscurity when the spotlight is focussed on the leading lady or leading man on the stage? And how vividly every detail shown by the spotlight remains in your memory.

Many a business man can draw an object lesson from this. Is your business, for instance, in the public eye? Do you regularly throw the "spotlight" of ADVERTISING on your store?

ADVERTISING will enable you to tell the story of your business to 4,000 in this town and district. ADVERTISING breeds confidence. Buyers go naturally to the store or business that is "in the limelight."
